**Dear Dr. i/c, Dear Hospital Administrator!**

Greetings in the name of our Lord Jesus Christ from ELCT HCTS Health Care Technical Service in Moshi!

Another Year has passed and we are thankful looking back on a year of good cooperation with you in service and faith!

Thank you very much for using our service helping to improve Health Care in your Hospital and the region!

This year we want to move forward to more Hospital members in our PPM Membership system. Also we want to improve our service by training our own stuff and offering training to your Hospital Technicians with in-house training and seminars in Moshi.

Our Engineer Mr. Fredrick Machenje is not longer working with HCTS.

Please also help us to improve our service by telling us your opinion about our work and structures! Thanks!

As you know we offer our service to all kind of health institutions to the same affordable prices and conditions, please see also our membership offer for 2012 (see appendix 1).

If you have further Questions please don't hesitate to contact us!  
We wish you a blessed and successful new year 2012!

Looking forward to welcome and service you,

Moshi, January 2012

Henry Sommerfeld,

**Hospital Engineer HCTS**

For Members only:

Current Annual Member fee: 200.000 /= TSH

**Prepaid-Membership system:**

Members deposit a certain amount of Money on HCTS NBC Moshi Branch Account according to the workload of the previous year. This has to be done till end of February 2012.

Visits and all kind of maintenance expenses for the particular Hospital will be taken from this account with invoice during the year according to our Membership pricelist (see below).

In the end of one year there will be a certain balance to refund or require for more according to the balance of each Hospital.

**All other Hospitals (non-Member) have to pay the invoices before the equipment can be taken back!**

**Non-Members which pay there invoice within 14 days get 5% discount of work fee and travel expenses!**

**Planned Preventive Maintenance and Safety Checks (PPM):**

This offer includes the following services done by qualified HCTS engineer / Technician:

- equipment is checked on right function and electrical, mechanical and patient safety
  - equipment is checked on right output values and tolerances
  - parts ( provided by the hospital and not included in the price !) are changed according to the maintenance manual
  - service report and history entry in a computer database
  - user training of daily routine maintenance
  - **get 20% off on repair work if this equipment was checked during the last 6 months by HCTS**
- The equipment must be in working condition!
